

Polls open at 10 am Saturday

The polls open at 10 am Saturday, in Wilmington High School, and will close at 8 pm. The 1975 election is drawing to a close. Four candidates are running for Selectman (two to be elected); five are running for School Committee (two to be elected); three for a five year term in the Wilmington Housing Authority (one to be elected) and two for a three year term in the Wilmington Housing Authority (one to be elected).

The only position for which there is no competition is that of Moderator. John Callan is unopposed for re-election.

Applications available

State approval given for 110 housing units

The Wilmington Housing Authority has been told informally that the state Department of Community Affairs has approved the WHA proposal for 110 units of housing for the elderly to be constructed under Chapter 667-2.

WHA Chairman George Hooper said he hoped that construction would begin during the summer, but that a site had not yet been selected.

The WHA has some 200

There are two questions on the ballot, or perhaps one should say in the voting booth.

Number one asks if licenses shall be granted for the operation of Beano games in Wilmington.

Number two asks a complicated question relative to Town Employees and Insurance Dividends, under the provisions of Chapter 32B, General Laws. It is the subject of an advertisement in this issue, explaining the town employees' position on the subject.

Interest seems to be rather light in Wilmington, as the day of voting approaches. No one is predicting a win for any candidate other than Attorney Calnan.

Chapter 744 Hearing continued to March 25th

There were 100 persons present in the Barrows Auditorium at 7:15 pm Tuesday, to hear the discussion on the proposed Low and Moderate income Housing, off Woburn Street. By the time the discussion was terminated at 10:15 pm there were about 110 persons present.

There was the testimony that could be expected in such a hearing - the first half of which was taken up by the proponent's development of ideas, and the second half taken up by opponents, many, but not all from the neighborhood of the proposed housing.

Perhaps the funniest incident of the evening - the really belly laugh - occurred as a sequential discussion. Milton Pinto, North Wilmington resident, and one opposed to the housing, finished his discussion by saying he was for organized action "to the Supreme Court" or "give it back to the Indians."

Attorney Jane Pru of North Reading, representing a land owner, Mr. Goldman of Maledn, was the next speaker. She brought down the house when she said she had no objection to giving the land back to the Indians. "I am part Indian - you can give the land back to me!"

Bruce MacDonald, chairman of the Board of Appeals, carefully explained the ground rules, before the hearing.

The Board of Appeals is acting also as Building Inspector, and has many more official hats to wear, under Chapter 744 of the Acts of 1969. If the Board of Appeals should give an adverse report the proposers could appeal to an Appeal Board set-up by the provisions of that chapter which

board would have the final say.

Joe Wishcamper, Tambone representative, also spoke on this point. Mr. Wishcamper is quite an authority on the subject.

Much of the testimony of the Tambone Corporation personnel has appeared before in the Town Crier - it was a story of luxury apartments, subsidized by the state, for low and middle income persons, with 88 apartments for elderly and handicapped persons, in a building which would have six

stories, and be 54 feet in height.

The apartments would be rented to not only low and middle income people, but to others as well. One apartment, a three bedroom one, which was to be typical for that type, would have 1459 square feet, with all the amenities.

The description of the apartments elicited at least one enquiry into the possibility of Wilmington residents getting into the apartments. Morton Grant of Concord Street, who discussed security and sewage questions and asked whether the rent would include utilities, also expressed the opinion that he might sell his home, and move into an apartment if he could get it.

He may or may not have been joking.

James Miceli, chairman of the Board of Selectmen, told the Appeals Board that "the impact of this housing" would be a threat to the water supply of disastrous proportions.

He said, speaking for the selectmen, that the fire and police costs would increase significantly, and that the water used in the sewer system plus the loss of water downstream would be felt. He wanted the Board of Selectmen recorded against the proposal.

OBITUARIES

John Enos died in Lowell

John Enos, of Tewksbury died at St. John's Hospital, Lowell on Tuesday, February 18th following a brief illness.

Mr. Enos, who was 79 years of age at the time of his death, was born in Provincetown the son of the late John and the late Elizabeth (Azevedo) Enos. He had lived in East Boston for many years prior to taking up residence in Tewksbury 14 years ago.

Prior to his retirement, Mr. Enos was employed as a stationary engineer, and was a member of the International Union of Operating Engineers.

He is survived by his wife, Mrs. Deolda F. (Silva) Enos; his daughter, Mrs. Margaret Aldrich of Dorchester; his two sons, Joseph M. of Carver and John F. of West Peabody; also his sister, Mrs. Louise Malaquias of Provincetown. Seven grandchildren and 14 great grandchildren also survive.

The funeral was held from the W.S. Cavanaugh & Son Funeral Home, 374 Main St., Wilmington on Saturday morning at 8:15 followed by a funeral Mass at St. Dorothy's Church at nine o'clock which was celebrated by the Rev. Father Joseph Leahy. Burial took place in the family lot, Holy Cross Cemetery with the Rev. Msgr. George Hyland offering the committal prayers.

Serving as pall bearers for Mr. Enos were: Richard Alkrich, William Morin, John Morin and Michael Rondeau.

Richard R. Kelley
WHS Class of 1954

Richard R. Kelley of Lowell, a former Wilmington resident, died unexpectedly at the St. Johns Hospital in Lowell Monday evening. The son of the late Eugene and the late Rose (Roy) Kelley, he had lived in Wilmington for many years, and was a graduate of Wilmington High School in the Class of 1954.

At the time of his death he was living at 397 Chelmsford Street in Lowell, and was employed in the Coca Cola plant in that city.

He was married to Mrs. (Carignan) Kelley, and was a communicant in St. Margaret's Church, Lowell. He is also survived by a son Michael J., and two daughters, Cheryl and Robin, all of Lowell. There are three brothers, Ronald, stationed with the US Army in Fort Campbell, Ky., and Robert and Charles R., both of Lowell, and a sister Mrs. Frank (Jean) Kemp, of Peabody.

A Funeral Mass will be held tomorrow at 9 a.m. at St. Margaret's Church in Lowell. Interment is to be in St. Joseph's Cemetery in East Chelmsford.

Calling hours at the McDonough Funeral Home, 14 Highland Street, Lowell, are from 2 to 5 p.m. and 7 to 10 p.m. today.

Funeral services for Agnes Marie Peary

Mrs. Agnes Marie Peary, of 18 Broad St., Wilmington died at Choate Memorial Hospital on Thursday, February 20th following a prolonged illness.

Mrs. Peary, who was 50 years of age at the time of her death, was born in Chelsea, the daughter of the late Robert and the late Elizabeth (Cashman) Wagstaff. She had resided in Everett for many years prior to taking up residence in Wilmington approximately two and one half years ago.

Mrs. Peary is survived by her husband, Harry E.E. Peary; her daughter, Mrs. Carol M. Bellamy of Wilmington; her two sons, Harry E. Peary of Billerica and Robert F. Peary of Jamaica Plain/Jamaica Plain; her sister, Mrs. Gertrude Hamilton of Revere and six grandchildren.

Funeral services were held at the W.S. Cavanaugh & Son Funeral Home, 374 Main St., Wilmington on Monday at 10 a.m. with the Rev. James Reilly of St. Dorothy's Church officiating. Burial took place in Wildwood Cemetery.

Serving as pall bearers for Mrs. Peary were: Donald D. Englehart, Francis H. Englehart, Jr., George E. Wareham, James Butts, Jerry Moundou and Roland Moundou.

Mark Smith has joined the Air Force

Mark L. Smith son of Mr. and Mrs. Lester H. Smith, Jr. of 41 Everett Ave., Wilmington, entered the United States Air Force Delayed Enlistment Program recently. Under this program Mr. Smith has been guaranteed an assignment in the USAF, but does not leave to attend the Airman's School of Military Science at Lackland AFB, Texas, until May 1975.

The Rev. Whiston at Wilmington Congregational Church

The Rev. Lionel (Lee) A. Whiston, pastor emeritus of Wrentham Congregational Church, will be the speaker and resource leader on Saturday, March 1 when a one-day Christian Ashram will be held at the Congregational Church in Wilmington.

The Ashram is one of many group movements which have arisen in modern times as a result of the desire to put back into the Christian Church the koinonia, or the fellowship, which is mentioned in the Acts of the Apostles.

In addition to the Rev. Whiston's challenging and inspiring messages there will be worship, periods of sharing, discussions, prayer groups and informal fellowship.

Each one attending will take his own lunch. Tea, coffee and milk will be provided. Reservations are not necessary. There is no registration fee, but an opportunity will be given to help defray the expenses of the day. Childcare will be provided at a minimal fee.

The event will be conducted between 9:30 am and 4 pm.

St. Dorothy's Ladies Sodality

St. Dorothy's Ladies' Sodality of Wilmington will meet March 4th at a 7:30 pm Mass.

All members should be present for nomination of new officers. Tickets are now on sale for May 18th Communion breakfast.

Gratitude is extended to Mrs. Lillian Tattersall for a successful valentine party at the last meeting.

Irish Night at Austin Prep

The Friends of Austin Prep will present their annual Irish Night on Saturday evening, March 15th at the school.

Dance music will be provided by The Ticket from 8 pm 'til midnight. A complete corned beef and cabbage Irish dinner will be served at 8:30.

Tickets are \$5.00 per person, advance sales only. The public is invited. Call 944-4900 for information.

Austin Prep entrance exam

Austin Preparatory School in Reading has announced that an additional entrance examination will be administered on Saturday, March 15th at 8:45 am. The school features a college prep curriculum with courses adapted to the ability, needs and interests of the student.

September of this year will see the addition of a late afternoon bus for those students who participate in the athletic program. Call 944-4900 for information.

Fashion show at Woburn Street School

A mother and daughter fashion show will be conducted on Wednesday evening, March 5th, beginning at 7:30 in the Woburn Street School.

Fashions will be shown by the Reading Children's Shop.

Tickets for parents and children of the Woburn Street School are available now.

Proceeds of this show will be used for student activities, currently including a trip to Nature's Classroom in March for four rooms of fifth and sixth grade students.

Ballou Case Conservation Commission sought court trial

The Town Crier, on February 20th had a story about a Flood Plain Zoning case which was discussed by the Wilmington Board, about land owned by Daniel and Lorraine Ballou, off Park Street and near Gowing Brook. The story said that the Ballou family had been before the Wilmington Board of Appeals, and had been granted a favorable decision, but that the Ballou family was still uncertain as to the status of their land, relative to Flood Plain and the Wetlands Act.

The Planning Board seemed to be ready to take a position which would be on the Ballou side.

The story of February 20th did not mention that the Wilmington Conservation Commission had sought a court case, to contest the decision of the Board of Appeals in the Ballou case.

The Wilmington Board of Selectmen were asked, sometime in January, to allow the Conservation Commission to sue the Board of Appeals, in Court. The Selectmen refused to give permission.

VFW Auxiliary fashion show

The V.F.W. Ladies Auxiliary No. 2458 of Wilmington will have a fashion show on Sunday, March 2nd at 2:30 pm at the VFW Hall on Main Street.

The show will feature Beeline Fashions for spring and summer. This is a fine time to chose Easter outfits.

Sea shells at Library

Frank West, age 12, son of Mark and Mary West of Sprucewood Rd., Wilmington, has provided the library with an interesting collection of sea shells which will be on display in the foyer through March 28th.

Frank has collected sea shells for about three years in between his other hobbies of coin and stamp collecting. Most of the shells come from Massachusetts with occasional specimens from Florida and Canada. Frank has done a fine job of setting up the display and has identified the shells himself.

Several of the shells which are very delicate have previously been shown at the Woburn Street School, but this is the first time that the majority of the collection has been exhibited.

Spring program at Wilmington Library

Two separate programs for pre-schoolers will be held at Wilmington Memorial Library during March and April.

A series of four fifteen minute film programs will be held at 11 am every Tuesday during March for pre-school children accompanied by an adult. Kindergartners who attend the afternoon session are also welcome.

Traditional spring story hours limited to pre-kindergarten children who are four years old will be held once a week for four weeks beginning April 1. The weekly 45 minute sessions are designed to introduce youngsters to the library and its treasures. Stories are introduced through the use of books, filmstrips, songs and activities. At the end of each session books are chosen to take home for the week.

This spring groups will meet on Tuesday or Thursday mornings. For registration information call the Children's Department at the Memorial Library, 658-2967.

Film schedule

March 4th: Georgie to the Rescue and Notes on a Triangle.
March 11th: Norman the Doorman.

March 18th: Rosie's Walk and Millions of Cats.

March 25th: Letter to Amy and Spunky the Snowman.

Finance Committee to predict \$63.20 tax

The Wilmington Finance Committee report is due tomorrow, in the Town Hall. To date no official, other than the Finance Committee, knows just what the report says, other than one accurate report in the Planning Board meeting of last week that the Finance Committee had turned in an adverse recommendation on Article 22, the newly proposed sign bylaw.

There is word that the recommendations of the Finance Committee will equal nearly \$1 million more in annual appropriations in the Town Meeting.

One million equals \$6.70 on the tax rate. This, added to the tax rate of last year (\$56.50) means a \$63.20 tax rate, if the recommendations of the Finance Committee are followed by the Town Meeting.

That means a cut of \$7 or more from the more than \$70 tax rate which was being discussed five or six weeks ago. Obviously there has been some cost cutting, and some pet projects have not met the approval of the Finance Committee.

Without having seen the Finance Committee Report, the Town Crier guesses that of the \$6.70 increase, \$2.60 is for the Shawsheen Valley Voke/Tech High School; \$2.40 is for the Wilmington Public Schools, and \$1.70 is for the General Government category of Wilmington.

The Wilmington School Committee budget, as was reported last week in the Town Crier, is up 8.7% over the figures of the previous year. The figures have been cut from the 12% increase of a few weeks ago, but the present figures are not final. The School Committee has not completed its salaries discussions with representatives of the Teacher's union, and perhaps may not have those discussions completed until some time after the Town Meeting.

This discussion represents a possible increase in costs, after the Town Meeting, but there are those who believe the 8.7% increase in the budget will take care of the demands of the teacher's negotiators.

The Town Meeting has no power to cut budgets offered by School Committees.

CAR CORNER

by Bob Bagnulo and Joe Casey

Your car is just like a member of the family, and just like everyone of us, it can grow old. The fact is that each year there are 15,000 parts in your car to grow older - it's a really complex machine.

Of course, we all know that some parts wear out sooner than others - and for these little emergency break downs, it's always good to be prepared. Have your car checked regularly, to keep it in good shape.

Just bring it to the experts at WILMINGTON FORD, 275 Main St., Rt. 38, Wilmington, 658-6800; our mechanics and parts people are long-standing employees to assure you of skillful and reliable service. All our service work is fully guaranteed, and all installed parts are guaranteed for 90 days or 4000 miles. Open: sales, 9-10 Mon-Fri; 8-6 Sat; service, 7:30-9 Mon-Fri; 7:30-5 Sat.

Helpful hint
Oil is for preventing parts from wearing themselves out by rubbing against each other.

Here's Our Choice!

A. DANIEL GILLIS

Joseph M. Magaldi Says:

Dear Dan: I understand you are a candidate for the office of Selectman in the Town of Wilmington.

No doubt many of the people of your town know you and your capabilities.

Having known you for many years and with first hand knowledge of your ability, perhaps those folks who are not acquainted with you would like to hear the opinion of an outsider.

I heartily endorse your candidacy and recommend you to the people of Wilmington. During the many years that I have known you, you have shown that you can be fair, impartial and just in your deliberations. As an officer in our organization you have demonstrated leadership and administrative qualities.

I endorse your candidacy and wish you well.

Sincerely,
Joseph M. Magaldi

Wilmington Key Club scholarship supper

The Key Club of Wilmington High School will sponsor a spaghetti supper to be held on March 8th from 5 to 8 pm at American Legion Hall. The proceeds from the supper will be used to establish two or more \$100 scholarships to be awarded to graduating seniors from Wilmington High School. The awarding of these scholarships will hopefully become an annual event at graduation.

It is to be noted that March 8th is the day of the Town Meeting at the high school gymnasium and that it

will be very convenient for meeting-goers to attend the supper during the dinner break. The meal will consist of spaghetti with meat sauce, bread, cole slaw, beverages (coffee or punch) and a choice of pie for dessert.

Tickets are \$1.75 and will be sold at the door or may be obtained beforehand by calling 658-8612.

The Key Club or Junior Kiwanians is a high school boys' service organization with over 80,000 members throughout the United States.

Local track teams lead league

Three Merrimack Valley local teams lead the league in holding M.V.C. records. Wilmington leads the conference with Tewksbury and Austin Prep also high in the scoring.

Coach Michael Daley of Tewksbury praised Wilmington their fine performance in winning their class in the State Meet. "Frank Kelley's squad did a great job" stated the Redmen Coach who felt that the league is one of the most competitive in the state.

A release of the M.V.C. records and times seems to verify this

Massachusetts baton twirling champion

DEBBIE GUZLEF: Of Clark Street Wilmington, was honored last night by the Wilmington Board of Selectmen, for being awarded the Championship of Massachusetts.

The young lady is shown sharing smiles with the chairman, Jim Miceli.

Wilmington Voters - This Saturday

Vote Yes on Question 2

"Shall the town distribute to its insured employees, after deducting the Town's total administrative cost, the balance of any group insurance dividend which shall be based upon the employees' proportionate share of the total premiums paid for all insurance coverage?"

Your vote will simply provide that dividends and reimbursements from Town employee insurance programs will be shared by the Town and Town employees in proportion to the premiums paid by each.

Supported by the Town Manager and the Board of Selectmen.

Wilmington LWV questions candidates

The Wilmington League of Women Voters has prepared a list of questions which have been answered by candidates.

Part of the answers were in the previous week of the Town Crier. This completes the list of answers

School committee questions

1. What special qualifications do you feel you can offer the town as a member of the school committee?

2. How should Wilmington approach its school space needs? Is there a way to break through the impasse that has developed?

3. How do you think Wilmington could develop a flexible child-oriented school system that will equip our children with academic and vocational tools they need to fulfill their own goals?

4. Are there areas in the school budget that could be reduced without injuring the quality of our schools?

David Dingle

1. My knowledge of the schools, the system, and its personnel which I have gained over several years. The School Committee members, the administration and I are aware of many of the problems they must cope with. I have been in almost every school in the system and have talked with both teachers and administrators. I have sat in on classes at both the high school and the intermediate school.

2. Stop, Look and Listen, then proceed with caution. The so-called impasse is caused by a lack of money at Federal, State and Local levels. I have always favored the addition in lieu of the new building. Lack of space is critical but first control of the student population is necessary. Only the taxpayers can decide what they want or can afford to spend. They should also tell public officials how they want to spend it.

3. Experts are still trying to figure this one out. They have yet to come up with a satisfactory answer. Can we afford to continue to experiment at the expense of the young people? First let's learn to add, subtract, read and write. When this has been accomplished, then it might be o.k. to get fancy.

4. Our school budget is 6.4 million dollars. Over 5.3 million of that is for the salaries of the school employees; only about 1.06 million is for the students. You can cut teachers or supplies or services. No matter which way we go the young people suffer.

Albert D. Flight

1. My experience as a professional educator and my business background will enable me to make the decisions that come before the school committee.

2. Determine just exactly what the educational needs of the town are and explain them to the taxpayers.

3. Be certain we have quality teachers in a coordinated program from Kindergarten through grade 12. Then develop the individualization in the classroom to take care of each child's needs.

4. If there are ways, I'll find them.

Francis J. Sullivan, M.D.

1. By not being a member of any self-interest group nor having any personal gain other than a sense of satisfaction I can honestly and objectively serve the community and its children. Years of medical education and experience will help in re-evaluating and reformulating our educational and budgetary problems. I will be well equipped to interact with special needs children and the core teams of our system.

2. Being opposed to a new high school, but realizing the need for additional space, I would favor an addition to the present building without a thorough analysis of our declining school population. Remember this issue will always be finalized by the voters at town meeting.

3. My deepest concern and main reason for seeking this position is to obtain a good, basic education for all children. We need not hire additional personnel but must use our current staff. The industrial arts student should have as much attention as the business and college preparatory children receive.

4. The immediate problem is to keep the budget from rising. I honestly could only consider specific reductions after acquiring some experience on the school committee.

Linda T. McMenimen

1. I feel my educational background and extensive experience in teaching (10 years) will enable me to provide the only independent educational and balanced view to the Wilmington School Committee. As a teacher and mother of school age children I believe I am in a unique position to objectively assess the needs of the children and the quality of teaching staff. If I am elected, I will be the only woman, mother and educator on the school committee.

2. Wilmington should approach its school space needs practically and realistically. The committee should meet with concerned citizens' groups (Parent Advisory Groups, Chamber of Commerce, Town Boards, etc.) to examine thoroughly what our space needs really are. The high school is in serious danger of losing its accreditation because of the overcrowdedness and limited facilities. Additional facilities are needed to remedy this situation.

3. A child-oriented school system is developed at elementary level and continued throughout the secondary schools. The school committee has attempted to provide programs to meet the abilities and needs of each child. Are recently adopted programs being implemented, are their costs justified, and are they successful? There should be more emphasis at the secondary level on academic, vocational and occupational guidance.

4. After attending several school committee meetings and reviewing the school department budget, I believe there are several items which a person not familiar with educational programs may believe are unnecessary, but if cut would affect the quality of education in our schools. Since 83% of the

school budget is in salaries, it is critical that we improve our teacher evaluation process to insure that we have the most qualified, dedicated, and conscientious teaching personnel in our schools.

Francis A. Ottati

1. My management and business background will enable me to evaluate the effectiveness of our educational programs and offer

minimum cost solutions to any continuing problems. My engineering and conservation background will be valuable in developing practical school building programs as needed.

2. The proposed new high school was conceived several years ago when student population projections were hundreds of students higher than current projections. I

Katherine Dukakis to address IWY conference

The IWY Conference on Saturday, March 8th, will have Katherine Dukakis, wife of the Governor of the Commonwealth, as its keynote speaker. The conference for International Women's Year and will take place at the Women's Opportunity Research Center at Middlesex Community College from 9:30 am to 1:30 pm.

Three local students on dean's list

Nancy L. White, 29 Marcus Rd., Wilmington. Donna M. McLaughlin of 7 Marie Drive, and Barbara E. Zaveron of 310 Middlesex Ave., have been named to the Dean's List for the first semester at Bunker Hill Community College in Charlestown.

The announcement was made recently by Frank E. Truesdale, dean of faculty.

To the Editor:

I have just read an article in your paper about the Solid Waste Disposal and I am a bit upset.

Do you, or anyone else for that matter, think people can vote for a \$300,000 landfill and pay to go to it?

Also, this town has garbage collection at the present time.

Again do you or anyone else feel that we have the taxpayers of this town should have to pay to have garbage picked up after paying

\$300,000 for a landfill.

Quite a few towns have rubbish and garbage collection that's being paid for out of their tax dollar. Why should we be different?

One other point. Why don't they have meetings on Saturdays instead of during the week? Most people like to relax in the evening and would prefer to go to a meeting on a Saturday morning or afternoon.

Dear Larz:

In response to your article concerning my retirement from the police department.

The way it was written up in the Town Crier, left some doubt in many people's minds, as to why I retired. My wife and I received many calls from people concerned with the article. Many people said it sounded as though I had done something wrong or was kicked off the police department. I retired because of injuries sustained while performing police officer's duties.

First of all, let me say that much of the hard work done by the police department goes unnoticed by the public, through no fault of their own.

Now as to why I retired: We had received information that there was a group of people out to kill a person that night. These people were well hidden in a small cottage in the woods.

Myself along with another officer, was assigned this call. We were told that they were heavily armed. As we approached the cottage, the door was slightly open. We could see such weapons as shot guns, hand guns and various rifles. Naturally a backup unit was notified to our activities.

We burst into the cottage and found more people than anticipated. I believe 15 - 18 people. Drugs were also there. A melee occurred and as a result I received a severe back injury. This is why I retired. I cannot continue to work as a police officer to my regret.

I have had two back operations removing discs and doctors want to operate again as I have two more discs going. I have made several trips to the hospital.

By the way, all the offenders were captured, thanks to my partner and the fast backup squad. The guns turned out to be stolen, and the courts took appropriate action.

I've lived in Wilmington all my life, so has my lovely wife Dottie and we plan on staying on in Wilmington. I may possibly be running for a public office in the future.

By the way, the boy you referred to in your article whom I chased for a mile was not six. He was 16.

Larz, I would appreciate your publishing this, so this matter could get straightened out.

I have been a good, honest, decent cop. I don't want any Wilmingtonites getting the wrong impression as to why I retired. Thanks for everything.

Jim Marsi

Town of Wilmington The Public Dump Situation in Wilmington

There will be a Public Meeting to discuss Solid Waste Disposal at 8 pm March 4, 1975, in the Wilmington Memorial Library.

Article 7 on the Town Meeting Warrant concerns the appropriation of \$300,000 for the purpose of developing a sanitary landfill for the disposal of Wilmington's solid waste.

Article 8 concerns the appropriation of funds for operating the landfill. The many questions that have been raised by the residents of Wilmington indicate that the issue of the new sanitary landfill may not be well understood by the public. During three editions of the Town Crier we will attempt to explain the problem under 3 topics: (1) WHY MOVE? (2) HOW WILL IT BE OPERATED? and (3) WHAT WILL IT COST? The first topic, WHY MOVE? appeared in the February 13 edition of the Town Crier, and the second topic, HOW WILL IT BE OPERATED? appeared in the February edition. In this edition we are discussing WHAT WILL IT COST?

WHAT WILL IT COST?

(1) Why not build an incinerator in Town?

The cost would be around \$221,000 per year. Incinerators have their own set of environmental and operational problems and come under strict regulations.

(2) Why not transport our rubbish and garbage out of Town?

The cost would be prohibitive. Estimates run from a low of \$300,000 per year to a high of \$600,000 per year.

(3) Why doesn't the Town enter a regional solid waste disposal system?

Such a system requires the implementation of a regional municipal solid waste management system. The regional approach looks very attractive as a long term solution to the municipal solid waste problem. Implementation, however, is many years away. Meanwhile, Wilmington needs a solution to its immediate problem. Going to an existing regionalized system at this time would be more expensive than the local Sanitary landfill being proposed.

(4) Why was the method of sanitary landfill chosen?

Because it is the least costly method available and will satisfactorily solve the Town's immediate solid waste disposal problem.

(5) How much will the new sanitary landfill cost to develop?

The costs of development have been divided into three Phases. The First Phase will last for seven years, the Second Phase will last for five years and the Third Phase will last for seven years. The costs of developing Phases Two and Three will not begin until year eight and year thirteen of the nineteen year duration. These costs will relate to land grading and the necessity to haul in cover material. Phase One will cost about \$300,000 which includes the cost of land grading, construction of necessary buildings and roads, installation of an eight foot high galvanized fence, and the capital cost for some of the equipment needed to operate a sanitary landfill.

(6) What will it cost the Town to pay off the \$300,000 Phase I site development costs if it is bonded?

The Town will borrow the \$300,000 for 15 years. The payment will be \$39,000 in the first year, decreasing slightly each year thereafter.

(7) What will be the cost of operations of the sanitary landfill?

This cost will be established by competitive bidding. We expect the cost to be between \$100,000 and \$140,000 per year. The contract will be for a period of three to five years. The Contractor will provide his own men and operating equipment.

(8) Will there be a fee charged for using the sanitary landfill?

It is recommended that a fee be charged to commercial and industrial users for disposal. This fee would return an estimated \$25,000 to \$50,000 per year. There will be no charge for disposal of household refuse by Town residents or any contracted collector of the Town.

(9) What will happen to the fees once they are collected?

The fees would be collected by the Town and turned over to the Town treasury.

(10) What will be the difference in cost between what the Town is paying for the present dump and what the Town will pay for the new sanitary landfill?

At the present time the Town has allotted \$75,000 per year for operation of the present dump and \$53,000 for garbage collection, a total of \$128,000. We expect the annual operation of the sanitary landfill (\$140,000) plus payment of the bond (\$39,000) to total about \$180,000. If the expected revenues of \$35,000 are subtracted from cost the new sanitary landfill will cost about \$145,000 per year. The sanitary landfill, therefore, should cost about \$17,000 more each year than the present dump.

(11) Why should the Town vote to approve the new sanitary landfill since it will cost \$17,000 more than we are now spending?

We can not continue the present operation. The State is requiring that we stop all violations of Department of Health regulations. The new landfill site will bring the Town into compliance.

(12) How much is the \$17,000 increase on the tax rate?

The \$128,000 we are presently spending is about ninety cents on the tax rate. The \$145,000 cost of operating the sanitary landfill is about \$1.01 on the tax rate. So the \$17,000 increase represents about eleven cents on the tax rate after the initial setup period which involves phasing out the old dump and garbage collection.

If your questions concerning the proposed sanitary landfill are not answered please feel free to write or telephone Peter L. Holzmeister at the Town Hall (658-3311) or Donald C. White (Chairman of the Solid Waste Disposal Committee) (658-5579).

Gravel truck woes on Kendall Street

WILBUR DOESN'T LIKE IT: Wilbur Southmayd, at left, watches a gravel truck drive around a soft spot on Kendall Street, one of two such spots caused by the gravel trucks.

Gravel trucks are causing problems for Wilmington's Kendall Street residents while clearing up a problem for a building contractor.

Jean Cormier, who is building a subdivision off Aldrich Road, last year became involved in a dispute with the town over some gravel allegedly taken from the wellfield near the subdivision. In a negotiated settlement, he has agreed to give the town 2000 yards of gravel.

But there is a deadline, of sorts. Sherburne Place, the first street of the subdivision, is before the town meeting next week for acceptance. If the gravel is not delivered before the town meeting, the street will not be accepted and the performance bond will not be accepted.

His source of gravel for the settlement is an area at the end of Kendall Street, off Aldrich Road.

In order to complete the return of the gravel in time, he hired a shovel dozer and some trucks to truck the gravel during the thaw which began last weekend.

The thaw, though, in addition to making the gravel soft, also made Kendall Street soft. The surfacing was intended for residential traffic, not ten-wheel gravel trucks.

By Tuesday afternoon, two areas of the street were broken up, with a third area starting to go.

Residents of the street are not happy. With two large areas of the street in shambles, they will have to wait for the town to repave the street later in the year.

Town Manager Sterling Morris said that the repaving will be done, once dry weather arrives.

Police know identity of Cumberland bandit

A warrant has been issued for the arrest of a greater Boston man, who held up the Cumberland Farms store on Main Street, Sunday evening. Identification of the armed bandit was made, according to the police, by Inspector John Harvey, using police files.

The bandit, who was described as very tall, about six feet two inches, entered the store about 7 pm Sunday and told the clerk to hand over the money contained in the cash box, and the money in the till. He left the store, which is in the Weinberg building, and walked toward Wilmington Square, carrying the money in a small paper bag. A search of the area by officers from several police cruisers found nothing.

Police said that the robber had been in the store several times before he actually committed the robbery. He entered once, about 6

pm, and left, and came back about 15 minutes later and bought some chewing gum.

The bandit was described as wearing a brown colored plaid jacket which was almost like a Navy CPO jacket, and was said to have wavy hair.

Housing Authority rejects oil bid

The Wilmington Housing Authority Tuesday night voted to reject the previously accepted bid of K&N Oil company of Woburn. A confusion in terminology caused the bid to be inaccurate.

The bid was then awarded to Fitzgerald Fuel Company.

We'll give you the only really free checking in town.

Since the T teamed up with the B&M Railroad, we've reduced the fares by as much as 50% and more!

Our new reduced fares are now in effect on all trains on all lines with the exception of rush-hour trains arriving at North Station, Boston between 6 and 9:45 am and those leaving North Station between 3:30 and 7:05 pm Monday through Friday.

But you'll be riding for less all other times in and out of Boston, including weekends and holidays. And any time at all on trains running between suburban stations.

We hope this means a lot more of you will be taking the B&M, whether you're off to work or off to play. If we can answer any questions about the new fares, please call 227-5070.

SPORTS

Title bout at High School

Wrestling's most explosive manager, Captain Lou Albano, will have his World's Tag Team Champions, the Blond Brothers from Chicago, Jimmy and Johnny, on hand on Thursday, February 27, when their title will be on the line in the main event bout at Wilmington High School, where the big night of "Championship Wrestling" will begin at 8:30.

Opposing the Valliant Brothers in Wilmington will be the two men who lost the title to them last year, the dynamic duo of Dean Ho and Tony Garea. Nothing in this world could make the team of Ho and Garea happier than a victory over their arch rivals right here in Wilmington.

This World Wide Wrestling Federation sanctioned title match will be held under the official Australian Tag Team Cham-

pionship rules of the best two out of three falls needed for a victory, with a one hour time limit for the bout.

One of the wrestling profession's most feared wrestlers, Killer Kowalski will tangle with Bill White in the semi-final match. While the main preliminary bout will bring the man who has recently stunned the mat world with his change of style, now under the able management of Classie Freddie Blassie, Spiros Arion has been signed to oppose the clever and capable Bill White.

The 8:30 pm opening match on the 27th will see the German champion, arrogant, Hans Schroder attempting to best Jack Evans.

Advance tickets are now on sale at Winston's Coffee Shop in North Wilmington.

Tracksters cop another title

Adding to their list of MVC champions and classic state champs, the W.H.S. winter track team captured the Northern Area Dual Championship, routing Marblehead 61 - 25 last Saturday.

To get to the finals Wilmington knocked off Bishop Fenwick, 64 - 22. Rick McCulley, as usual grabbed first in the hurdles in 5.7 seconds. Joe Jannian and Don Capone took second and third to complete the sweep.

Bob Sferrazza surprised Jim Busby in the 50 taking first in 5.7 seconds. The next three events were taken by the Wildcats seven out of nine places. In the two mile Wilmington swept with Doug Spring. Mark Blaisdell and John McNaughton. In the 600, Steve Coville grabbed first while Dave Cain took second and in the 300. Tin Nee and Dana Roueche finished first and second. Ian MacInnis looked strong in the mile, taking second, while Tony Gravelese and

Keith Roueche took second and third in the 1000.

Joe Jananian tied a school mark 5' 11" in the high jump. The relay team of Spear, Spring, Roueche and Gravalesse won to conclude the afternoon.

Saturday Coach Kelley's crew continued to roll, in the hurdles it was McCulley and Jannian, in the 50 it was Busby and Sferrazza and in the two mile Doug Spring and Mark Blaisdell took first and second. In the 600 it was Coville the winner as Dave Cain grabbed third. Again Tony Gravalesse and Keith Roueche took second and third in the 1000 and Ian MacInnis

won the mile. The relay team, this time consisting of Nee, Blaisdell, McCulley and Busby finished things off. Wilmington attempts to add another title to their belts at the state invitational coaches meet at Reading High School at 5 p.m.

ADULT HOCKEY LEAGUE

Benevento Jets, 7Blues, 4
 The Jets extended their recent winning streak to five as they outlasted the Blues 7 - 4. Snooky Lynch and Gary Irwin each had two goals for the Jets while Harry Johnson's two third period tallies made it close momentarily for the Blues.

Big W, 16-Back Bay, 2
 The Big W exploded for nine second period goals in their 16 - 2 romp over an undermanned Back Bay team. Steve Neal (seven goals, eight points) and Ed Buckley (seven assists, 11 points) led the assault in the Big W's eleventh consecutive win.

Beavers, 8-Bulldogs, 2
 The Beavers on the strength of a five goal third period topped the Bulldogs. Merrill MacInnis and Doug Fish accounted for six of the eight goals as they each had three goals and three assists.

Big W, 10-Beavers, 3
 The Big W overpowered the Beavers as they rolled to their 12th consecutive win. Steve Neal's hat trick plus two goal performance by Ed Buckley and Dave Carlson provided the offense.

Benevento Jets, 13-Back Bay, 3
 It was a big night offensively for the Tighe family as they figured in all 13 goals for the Jets.

FOR DYNAMIC LEADERSHIP

We Need Experience in Municipal Government

Madelyn McKie's Background

Committee	Office Held	Attendance
Finance Committee	Vice Chairperson	98%
Planning Board	Chairperson	97%
Metropolitan Area Planning Council	Officer	97%
Mass. Federation of Planning Boards	Director	100%
Subregional Intertown Liaison Committee	Representative	100%
Citizens Planning Advisory Committee	Organizer	

WE CAN'T AFFORD "ON-THE-JOB TRAINING"

Madelyn is concerned about the same things you are:

(as shown by our telephone survey)

- * Stabilized taxes through planned growth
- * Industry which does not drain our resources and in presently zoned areas
- * Public Transportation More service for our MBTA dollars
- * Apathy of local officials Coordination, cooperation and communication of Town Boards

MADELYN A. MCKIE A FULL-TIME SELECTWOMAN

Madelyn is a problem-solver - She will work

- * to alleviate Traffic tie-ups through implementation of plans for R-129 (Main Street) By-Pass
- * to provide subsidized Low Income Housing through rehabilitation of existing sub-standard dwellings in Town and additional Housing for the Elderly
- * to preserve the Character of the Town with adequate open space and recreation areas

HOW? More utilization of Federal and State funding programs for Less Impact on our Local Taxes

For Transportation

The Finance Committee has invited Gov. Dukakis to the Wilmington Town Meeting (News Item)

The Governor, of course, would ride the MBTA bus and, if he should come to Wilmington the Finance Committee could be the welcoming committee

WELCOME YOUR EXCELLENCY!
The MBTA bill to Wilmington is \$194,300 a year, and the bus costs us \$45,000 a year. It

gives us great pleasure to finally see a passenger on the bus.

(Jim Ashley, the artist who has drawn the picture of Governor Dukakis on a bus, is a talented young man of 15, a junior in Wilmington High School. He lives on Fay

Street, and seems to be developing a drawing ability. Possibly Town Crier readers will be seeing more of Jim Ashley's work.

ELECT John "Lucky" Reardon for Housing Authority - 5 year term

Cub Scout Pack 56 banquet last Saturday

It was the Blue and Gold banquet, Saturday evening for Cub Scout Pack 56, in the Congregational Church, Wilmington. At one time Pack 56 was the largest in the Greater Lowell District Boy Scouts. Perhaps it still is, for there were plenty of Cub Scouts, with mothers and dads at the banquet.

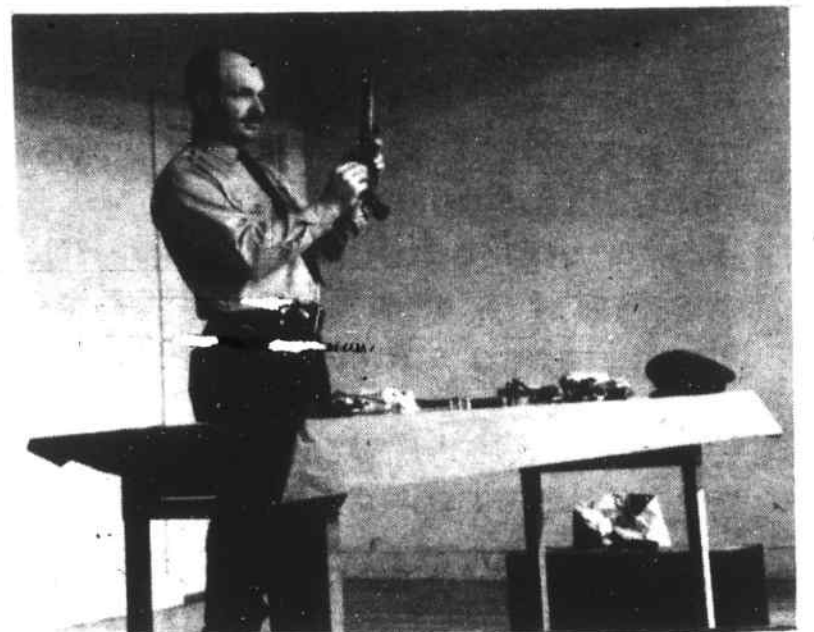

THE INSTITUTIONAL REPRESENTATIVE: Frank Tuttle of Carson Ave., explains the Charter to the Cub Scouts. As Institutional Representative he represents the sponsoring organization, in this case the Congregational Church. He is also Scoutmaster of Troop 56. With Mr. Tuttle is Cubmaster Bob McEvoy.

PATROLMAN BERNARD NALLY: Was a lecturer for the evening, telling the Cub Scouts about the type of equipment the Wilmington Police Department uses. Above he is explaining a 12 gauge shotgun, used for riot control. The Wilmington Police have three such guns, one of which is always in one of the cruisers.

Below Nally is showing a modern replica of an antique pistol, a replica which works, and is owned by a Wilmington Patrolman.

CUBMASTER BOB McEVY: Gave out awards to the Cubs. Jeff Stouffer, who is trying to wreck the camera with a smile, accepts the Artist and Outdoorsman award, as his daddy backs him up.

AL CAIRA RESPONDS TO THE VOTERS OF WILMINGTON

In recent weeks hundreds of Wilmington voters have discussed the needs of our community with Al Caira. The following summarizes what you have told him, and how he responds to what you want from the Board of Selectmen.

YOU WANT:

- ☐ **Tax Relief for hard pressed Home Owners**
- ☐ **Economy and Efficiency in Town Government**
- ☐ **Home Rule for Wilmington with a minimum of interference from State and Regional agencies**
- ☐ **Planning and Action for Public Facilities and Services we can afford**
- ☐ **Effective Operation of our Town Manager form of Government**
- ☐ **Protection against State imposed 100 per cent revaluation**

AL CAIRA OFFERS:

Al Caira knows that tax rate stabilization is essential; if we are to protect the average home owner. This can be accomplished only by tight control over spending and by broadening Wilmington's tax base.

Al Caira is the ONLY candidate trained and experienced in business management and public administration. As Assistant Superintendent of Tewksbury Hospital he has major responsibility for a \$10.5 million budget, 1000 employees and 1000 patients. (Wilmington Town Government has an \$8.0 million budget and 200 employees.)

Wilmington has failed to protect itself. By refusing to adopt reasonable regulations governing apartment housing, our Town Government has left Wilmington vulnerable to state agencies that can and will impose their standards on us. Al Caira believes we should adopt and enforce regulations that satisfy our needs.

The Selectmen have the final responsibility to insure effective action in solving town problems with limited financial resources. We cannot afford the proposed new High School, so why don't we concentrate on the proposals we can afford.

The Selectmen are Wilmington's Board of Directors. Al Caira is Chairman of the Charitable and Educational Trust of the Massachusetts Sons of Italy. He is a Trustee of Verrazano College and a member of the Advisory Board of Don Orione Home for the Aged. He knows that the Town Manager cannot operate successfully with political interference. He believes that team work among Town officials is essential to Wilmington's future.

Until the same assessment policy is in effect in every Massachusetts city and town, Wilmington would suffer a serious loss in state tax distribution. Let's be the first to oppose it, and the last to accept it.

AL CAIRA IS ON YOUR TEAM WE KNOW HIM - YOU CAN TRUST HIM

New High School to be constructed
Homes to be taken for school addition
Present high school to have addition
Everyone in agreement on School Questions

BUNK!

• IT IS TIME TO RECOGNIZE SOME BASIC FACTS

Albert D. Flight is in the Business Department of the Waltham Public Schools. This is an administrative position in the schools, not the Business Manager of the schools, but the Director of the Business Department.

In the Waltham Public Schools Mr. Flight is responsible for the scheduling of all teachers and pupils, and their programs.

Mr. Flight has had twelve years of teaching experience, and five years of administrative experience in the public schools.

He has been a resident and a home owner, in Wilmington, for the past ten years.

His objective is to provide high standards in curriculum and staffing in the Wilmington Schools, in a way in which the residents of Wilmington get the best return for their tax dollars.

1. The Quality of Education is the issue - Not a New High School.
2. The people of Wilmington (and other communities) have School Building Problems because of a State Board which was designed to help the towns and cities.

The SBAB (School Building Assistance Board) was established to help towns build schools, not to put unnecessary road blocks in a school building program.

Hard working committees have to go, hat in hand, to the SBAB, and then have their plans rejected because the SBAB does not approve. The SBAB, instead of helping, has set unnecessarily hard standards, to make the towns spend more and more money. The committees are sent home to draw more and more plans, and the towns have to pay the bill.

That is what is happening to Wilmington.

It may be better to build schools without the Assistance of the SBAB.

3. Put a person on the School Committee who will take a hard look at the facts - one of which is the SBAB Program.

- Wilmington MAY NOT NEED to have an SBAB approved design for a new High School.
- Wilmington MAY NOT NEED to take land and homes of private individuals, just because the SBAB thinks it is a good idea.
- Albert Flight will oppose, if necessary, the SBAB inspired ideas on how to build schools.

FLIGHT FOR SCHOOL COMMITTEE

*Al Flight is an Independent Candidate.
He is not part of any Political Machine!*

Wilmington Recreation Basketball

With the tenth week of play many clubs in the Wilmington Recreation Basketball League have or will be shortly concluding their season. All of the forty youth division clubs play a ten game slate and fifteen of the teams have ended their winter season. The remaining clubs will finish up during the next three weeks.

The men's loop will end late next month as all teams in this division play a fifteen game slate and most of the clubs have four encounters to play. Divisional titles have already been clinched, namely the Wrens (Int. girls); Bunnies (Junior East); Kittens (Junior West); Jades (Senior girls); Elks (Junior North); Chargers (Junior South) and Lakers (Senior boys). The Intermediate boys' Eagles have assured themselves of at least a tie for their sector with two games left to play. The Men's division is rapidly settling down to a two game race between the Super-Stars and Merchants.

Men's Division: The Merchants moved into a tie for second place on February 19th as they slipped by winless Analog, 91-76. On Thursday night, Newhouse Builders belted Cold Storage 72-49 to solidify their hold on fourth place. The Super-Stars edged Wilmington Ford, 68-49 and the Merchants came from behind to defeat the Lucky Ducks, 74-71 in Sunday night's twin bill at the high school.

Intermediate girls: The Blu-Jays ended their season on a victorious note last Saturday morning with a upset 12-7 win over the Robins. Ann Ryan and her sister Tricia accounted for all the Jays' points tossing in eight and four respectively. Susan Hanna scored five for the Robins. In the championship encounter, the Wrens stopped the Doves, 13-9 behind the scoring of Kerin Taylor (seven) and Megan Donnelly (six).

Intermediate boys: The Eagles overcame a 10-3 half time deficit to upend the Hawks, 16-14 to maintain their unblemished record. Kevin Dicey led all scorers tossing in six points for the Eagles, while Eddie Olshaw and Jim Marsh chipped in with five apiece. Kevin Bagrowski, Teddy Moran and Dave Staffier scored four points each for the Hawks. In the second game played on February 19th, the Ravens topped the Owls, 21-12 behind the scoring of Jon Nolan (13 points). Bobby Marsi paced the Owls tossing in six points.

Last Thursday evening, the Crows belted the Gulls, 20-10 as Todd Driscoll pumped in 14 points for the victors, while Matt Wallent scored four for the Gulls. Sunday afternoon the Owls topped the Gulls, 13-9 with Bobby Marsi leading the way.

Junior girls: In a major upset on Saturday morning the Fawns upended the Junior East champion Bunnies 36-33 behind a well balanced scoring attack led by Diane Coye's 10 points Susan Rowe tossed in 28 for the Bunnies with a superlative effort, but it was not enough. The Deers trampled the Foxes, 21-11 in the other contest with Barbara Zaino (eight) and Robin Ready (five) leading the way.

In Sunday's twin bill the Bears belted the Pandas, 38-16 and the Bees stung the Kittens, 17-16. The Bears jumped out to a quick 8-0 lead in their conquest of the Pandas and the game was over early. Kathy Madden tossed in 12 points to lead the Bears scoring attack, while Lisa McGinley and Debbie Smith chipped in with eight and six respectively.

Jane Theriault led the Pandas, scoring six points. Marieanne DiGirolamo sparked the Bees to their upset win tossing in eight points, four of which came in the

crucial fourth period. Cora Sullivan and Beth Ritchie scored six points each for the Junior West leaders.

Junior Boys: The Raiders exploded for 16 second period points for a commanding 23-12 half time lead enroute to a 32-29 triumph over the Broncos in Sunday's opening game. Kevin Cogan led the Raiders scoring 11 points and Fred Olshaw shipped in with seven. Jimmy Marsi tossed in 14 for the Broncos. In the middle game of the three game set, the Chargers out scored the Seals, 36-29 in a foul plagued encounter. Neil Wetzler (11), Rich Down (10) and Marty Sullivan (10) led the Chargers' attack, while Bobby Grant and Joey Costello tallied 18 and seven respectively for the Seals.

The Elks ran their unbeaten skein to nine with a convincing 50-25 triumph over the upstart Colts in the last encounter. Sal Carbone and Chris Nolan led the Elks scoring 16 and 14 respectively, while Dave Driscoll poured in 13, seven from the free throw line, for the Colts.

Senior girls: Everything stayed the same in this loop as all three of the top clubs concluded the season on victorious notes. The champion Jades topped the Diamonds, 36-27 with a strong final period finish and the runner up Crystals topped the Emeralds, 49-28. In the other contest the Rubys slipped past the Opals, 33-30.

Senior Boys: The unbeaten Lakers coasted past the Royals, 63-39 behind the torrid scoring of Steve Winchell (36 points) to highlight Saturday evenings' action. In the other two games, the Knicks moved into sole possession of third place with a 73-54 victory over the Celtics and the Bullets edged the Pistons, 58-55.

North-West Winter Carnival

The North and West Intermediate schools competed in the Wilmington Recreation Department's first Annual Winter Carnival during February school vacation.

The Carnival activities took place at the home schools, with inter-school competition hosted at the High School.

Tuesday and Thursday teams were formed and organized at the North Intermediate School by Pat Simmons and at the West by Paul Domigan.

Competition was slated for

Wednesday in the boys and girls Gym Hocken and One on One Goal Scoring. Friday's agenda featured a foul shooting contest and boys and girls basketball games.

Wednesday, both schools journeyed to Wilmington High School to vie for the Carnival trophy provided by the Wilmington Recreation Department.

Coach Domigan's West teams took an early lead in Carnival competition by sweeping the goal scoring contest and posting hockey victories in the boy's eighth grade game and the girls game.

Coach Simmons seventh grade boys battled back in their final period of play to claim a victory over the West seventh graders.

Friday again at WHS, the schools met for the foul shooting contest and basketball competition.

The West teams again took an early lead in foul shooting and reinforced their overall point standing by victories in the seventh grade boys basketball game outscoring the North 36-28 and in the girls game with a score of 46-18.

Coach Simmons' eighth grade boys team posted the North's only victory of the day by demolishing the West 67-42.

In the overall Carnival competition the West Intermediate School teams amassed 69 points to the North's 36 and thus carried home the overall trophy for the first Annual Winter Carnival for Intermediate schools.

The REcreation Department congratulates the coaches and students who participated in the Carnival for their exemplary exhibition of competitive spirit and fine team play.

Celtics game

The Wilmington Recreation Department will sponsor a trip to see the World Champion Boston Celtics in action vs. the Washington Bullets, current holders of the best record in the NBA.

Cost per student will be \$4.50 which includes ticket and bus fare.

The two busses will be leaving the High School parking lot at 6 pm on Friday, April 4th for the 7:30 game.

Those wishing to go must sign up with accompanying fee by seeing Mr. Dicey at the High School.

Chess club

Anyone interested in playing chess on a competitive basis?

Every Wednesday evening the Wilmington Recreation Department conducts a chess activity in the High School small cafeteria for those students interested in learning more about or just brushing up on their chess techniques.

The classes are held from 7 to 9 pm.

Teen open gym

Monday evenings Teen Open Gym at Wilmington School was highlighted by the addition of Mrs.

Linda Brumis who provides an outstanding program for the girls in gymnastics.

High School girls interested in participating are encouraged to attend the next meeting scheduled for Monday evening, March 10 from 7:30 to 9:30 at the High School.

High School boys interested in Open Gym activities are encouraged to participate at the next meeting.

HOCKEY CAPTAINS ELECTED

Junior Dan Burns and Tom MacNamara were elected co-captains for 1975-76 season. Burns is a standout center and MacNamara plays defense.

Three sentenced on reduced charges

Three Boston-area youths arrested last month in a daytime burglary in Wilmington were sentenced on reduced charges on their appearance in Woburn District Court.

They had been arrested by Officer James Rooney and Sergeant George Shepherd in the home of James Durkee on Salem Street. At the time of the arrest, police found heroin and hypodermic needles in their car, which was parked on Salem Street some distance from the break.

In court, the charges were reduced to attempted larceny, and all three were found guilty on that charge. The oldest of the youth, age 18, was also found guilty of possession of heroin and needles. He was sentenced to one year for attempted larceny, and three months on the drug charges. He appealed both sentences, and bail was set at \$5000 pending his appearance in superior court.

The other two, both juveniles, were placed on probation for one year.

Wilmington pre-school registration

The pre-school registration of children entering grade one in September will take place the week of March 10th from 9 a.m. to 3 p.m. in the Boutwell, Buzzell, Glen Rd., Shawsheen, Walker, Whitefield, Wildwood and Woburn St. schools.

If the youngster is currently enrolled in Wilmington's public kindergarten program his or her registration for grade one is automatic. First grade assignments will be received during the latter part of August.

A birth certificate from town or city records is an essential part of the registration procedure and will be kept as a part of the permanent record. Under no circumstances will a child be registered without meeting this requirement. If a child reaches age six at any time during the year 1975, he or she should be registered for grade one. A youngster reaching age five during 1975 should be registered for kindergarten. All available health records should be presented.

Registration for kindergarten will be held during the week of March 10th from 9 a.m. to 3 p.m. in the foyer of Villanova Hall. It is not mandatory that a child attend kindergarten.

At all registrations, parents will be provided a packet of necessary forms. This packet is to be completed and returned to the school no later than March 31st. When this is done, the child will be considered registered and class assignment will be received during the latter part of August.

The board of health sponsors a free immunization clinic on the first Tuesday of each month at the Town Hall Annex from 9:30 a.m. to 10:30 a.m., September through June. Protection against whooping cough, diphtheria, tetanus, measles, mumps, german measles and polio is offered.

Smallpox vaccination is no longer a requirement for entrance into school.

Police retirement dinner planned

Three recently retired members of the Wilmington Police Department will be honored at a dinner to be held on May 5 at the Moose Hall in North Reading.

The dinner will be in honor of Sgt. Arthur Kelley, and Officers Charles Dolan and James Marsi.

Barbara Smith will work at Dynatech

Barbara Smith of Bond Street, Wilmington, a senior at Shawsheen Valley Technical High School has been hired as a secretary at Burlington's Dynatech Cryomedical. She has completed her requirements for graduation.

Barbara's early release from the school is possible due to the accumulation of credits made during the school's summer school program. She is one of twenty-three students who were released early.

Benjamin Volk, the Superintendent-Director of the school, says that those who were released early will return in June for graduation exercises.

The concept of allowing seniors to leave school during the senior year has been hailed by the School Committee and Administrators of Shawsheen Tech as a distinct advantage to the vocational school graduates, as it allows them to be on the job market months before the market is flooded with June graduates.

MacKenzie student privilege bill

Senator Ronald C. MacKenzie has co-filed a bill with Representative Michael Daley which would provide that certain verbal communications between a high school student and high school personnel shall be privileged.

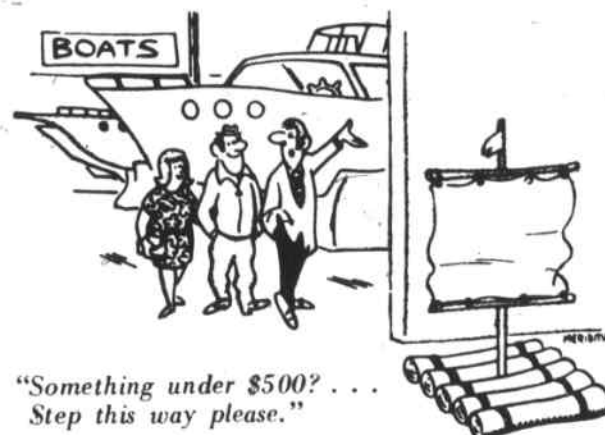

Under the provisions of this measure, a person employed as a counselor or in an advisory capacity with a junior high or high school student would not be allowed to disclose any verbal communication made to him in his professional character without the consent of the student making the

disclosure. The privilege would also apply to advice given to a student by a counselor or advisor.

Senator MacKenzie feels strongly that confidentiality between a counselor and student is vital, if counseling is to be effective.

House Bill 2443 is co-sponsored with the Student Advisory Council of the Department of Education and has the Council's full support.

A public hearing will be held before the Committee on Education on Monday, March 10, at 10:30 a.m. in Room 480, State House, Boston.

Wilmington Youth Hockey

Squirt A's, Squirt B I's Bantam A's district champs

Mite A (12-8-2)...On Tuesday, February 18th, the Mites beat Billerica 2 - 1. Wilmington scored one goal in each of the first two periods with Billerica's only goal coming in the third.

Goal scorers for Wilmington were Dennis Moran assisted by S. Lowney and Kevin Cullivan unassisted.

Mite A (12-9-2) On Monday February 24th in a very fast skating up and down hockey game the Mites lost to Wenham 1 - 0. Wilmington outshot Wenham and had their chances, but the puck just wouldn't go in for them.

Wenham's only goal came late in the second period.

The next game will be played on March 4th at 5:10 pm with Stoneham providing the opposition.

Mite B (15-6-2): The Mite B's continued to roll as they defeated Reading 6 - 2. The B's took a quick 3 - 0 lead in the first period on goals by Jimmy Taylor (unassisted), David Richards (assisted by David Fuller and John Robinson) and Greg Rogers (assisted by Kenny Richter and Stephen Raso).

Reading scored their first goal midway through the second frame, but was quickly answered on goals by Greg Rogers (assisted by Kenny Richter) and David Richards (assisted by David Fuller and John Robinson).

Reading made the score 5 - 2 early in the third period and that goal was answered by Greg Rogers' hat trick (assisted by John Robinson and Robbie Palmer). The B's take on Haverhill at 9:10 a.m. Saturday, March 1st.

Squirt A (18-5-0)...This has been a very eventful week for the Wilmington Squirts. On February 16th they trounced Cambridge 14 to 3. Shots on net were 60 to 6.

Wilmington lit the lamp six times in the first, three more in the second, and five more in the final stanza. Cambridge scored once in each period.

Goals for Wilmington went to George Boudreau, Kvein Smith, Chuck McNeil, Jim Conti, Frankie Newark, Bobby Williams, Jeff Stouffer and Dave Elliot with one apiece. Darryl MacDonald, Ronnie Greenberg and Ted Moran each scored twice. Assists went to Frankie Newark (five), George Boudreau and Jeff Stouffer (three), Jim Conti and Kevin Smith (two) Chuck McNeil, Bobby Williams, Dave Elliott, Ronnie Greenberg and Darryl MacDonald (one).

On February 22nd the Squirts picked up shut out number eight by defeating Woburn 1 - 0.

The only goal came in the first period from twenty feet out when Bobby Williams passed back to defenseman George Boudreau for the winner.

Goaltenders Jeff Lux and Scott Wallace shared in the shut out. Shots on net, Wilmington 25, Woburn 12.

Coaches Don MacDonald and Frank Neward are very proud of their boys. As this past weekend they became District 10 Champions, earning them a berth in the State Tournament. They defeated Somerville 5 - 1 on February 21. To insure their berth they had to play Stoneham on February 22nd. It was a very close game, but Wilmington came out on top in overtime 2 - 1.

Wilmington held a 1 - 0 lead through two periods on a goal by John Cushing assisted by Billy Robinson and Kevin Smith. With only a minute left to play Stoneham tied it at one. They were given a five minute overtime the first team to score wins.

The face-off took the puck into Stoneham's end where George Boudreau on wing passed back to Ted Moran at the point. Ted took a

slap shot on net where Frankie Newark picked up the rebound and put it in for the 2 - 1 win. The Squirts will be in Westboro next weekend for the State Tournament.

Squirt B I (19-3-1)...On Wednesday February 19, the BI's clinched the Middlesex County District 10 Squirt B Championship by defeating Somerville 0 by a score of 3 - 2. The BI's, down 2 - 0 through two periods, scored at 0:43 seconds into the third stanza on a fine effort from Jim Smith assisted by John Robson.

Ray Durling tied the game at 3:26 assisted by Chris Turner and Bob Curran. Ray got the game winner at 4:32 again assisted by Curran. The BI's displayed cool heads and used their strong positional play and aggressive skating to pull this game out of the fire.

On Sunday, Feb. 23rd, the BI's racked up their 19th league victory by beating much improved Burlington II by a score of 3 - 1. Wednesday night's offensive stars again came through on Sunday as Jim Smith, John Robson and Ray Durling again put Wilmington on the board while John Palmer, John Robson, Jim Smith and Bob Curran picked up assists.

Strong goaltending was again the key to the victory as Ed Laquidara and Bill Redler stopped 12 of Burlington's 13 shots. All 17 boys are attempting to tighten up their defensive hockey for their remaining seven league games and their trip to Westborough on March 1st and 2nd for the State semi-finals. Their fine display as a hockey team this season has earned them praise for their season's effort.

Pee Wee B II (12-9-1)...On Saturday, Feb. 15th at the Youth Ice Arena the Pee Wee BI's bowed to Chelmsford in a fast moving, hard checking game.

Chelmsford's goaltenders spent an idle first two periods with Wilmington unable to get a shot on net. Chelmsford was only allowed seven shots however in these two periods, one of which went in.

The determined B II's came out full of spirit in the third period giving their all with several good scoring attempts, but were unable to even up the score. The boys played one of their finest periods to date with good up and down the ice work providing great excitement for the fans. However, their determination went unrewarded as the game ended with the final score at 1 - 0.

Bantam A (17-4-2)...Monday Feb. 24th, Wilmington Bantams soundly beat Winthrop, piling up a score of 10 - 4.

The first period scorers were Tom Bavota unassisted, Bill Blaisdell from Mike Carlin, Brian Tighe, Ed Sheehan from Todd Richards, Paul Godfrey. Wilmington out shot Winthrop 13 - 5.

The second frame saw Wilmington pick up three more

goals and again out shoot Winthrop 14 - 7. However Winthrop collected two tallies as Wilmington suffered five penalties in the period. Goals were scored by Brian Tighe assisted by Dave Ballo, Tom Gracia. Ed Sheehan picked up his second of the evening assisted by Tonto Walden. Dave Ballou finished the scoring of the period assisted by Paul Godfrey and Mike Carlin.

In the third stanza Wilmington had only six shots on goal, however they put four of these in the net in spite of being hampered by four more penalties. Mike Carlin assisted by Bill Blaisdell, Tom Bavota, Bill Blaisdell assisted by Paul McMahon, Tom Bavota's second of the night assisted by Todd Richards and Tonto Walden and Bill Blaisdell from the third time completing a hat trick, assisted by Mike Carlin and Ray Robson. Winthrop picked up their third and fourth goals.

Wilmington faces off against Chelmsford at 5:30, March 6th.

Wilmington Bantam A's became the District 10 Division I Champions in the State Tournament playoffs advancing them to the semi-final round, defeating Everett by a score of 6 - 2 and Somerville 5 - 4.

The next games will be played March 1, 2 and 3. Any persons interested in supporting the team with their presence at the game contact the coach, Gordon Carlin at 658-3503 for exact time and date.

INTRAMURAL NOTES

The results of the Intramural League action during the weekend of February 21st were as follows:

Bantams: The second place Rangers scored a 6 - 2 victory over the Hawks and would like to thank Leaf's goalie Byron Hurley for substituting in their net. Coupling excellent goal tending and defense with two goals, the Canadiens overcame a 3 - 1 deficit and tied the division leading Bruins 3 - 3.

Pee Wees: With the Kings idle and a 15 - 0 shut out over the Penguins, the Flyers again regained sole possession of first place.

Meanwhile the Seals moved out of last place with a 3 - 1 triumph over the Canucks.

Squirts: Outscoring the Clippers by three goals, the Aces skated to a 4 - 1 victory and moved into a tie for first place with the idle Braves; while the Bears moved into third place with a 1 - 1 tie against the Americans.

Mites: The Gulls won their second consecutive Mite division championship with a 5 - 2 triumph over the Checkers; the Blades shut out the Buckaroos 2 - 1; while the Blazers subdued the Roadrunners 6 - 2.

A seven cent twist to an old letter

It happens almost every day - a story in a newspaper about a long lost letter being delivered thirty or forty years after it was mailed. Clerks in the Wilmington Post Office observed a new twist, Saturday morning when a letter arrived thirty-nine years over due, from Livermore, Maine.

The letter had been mailed on December 24, 1935 by Mr. and Mrs. Frank Sargent, a name not unknown in Wilmington. They lived in East Livermore, and it was obviously a Christmas Card, mailed to Warren White, 406 Main Street, Wilmington. Warren White, who has long since passed away, lived in the old Blanchard house which stood where the telephone building is today, near Wilmington Square.

Mr. and Mrs. Sargent paid three cents, back in 1935, to have that letter delivered. That was the going rate, at that time, for first class mail.

Today a first class letter costs ten cents, and the story is that the price will soon be increased to thirteen cents.

Some conscientious postal employee (or postal joker), somewhere along the line, (and possible the employee who found the long lost letter) added his own postal mark to that letter.

On the front of that letter is stamped the legend POSTAGE DUE 7 CENTS. How Warren would have loved to have received that letter today!

New books at Wilmington Library

In their Wisdom by C.P. Snow; a contested will involving three members of the House of Lords, and affecting the lives of two women in love leads to a battle in and out of court.

Some Dreams are Nightmares by James Gunn; four novelettes which combine fine storytelling and a probing mind.

The Devil is Loose by Graham Shelby; a historical novel which deals with Richard the Lion-hearted and the viciousness of twelfth century Britain and Normandy. Shelby turns historical figures and events into living, believable realities.

Beware of Moonlight by Aylmer Hall; this novel set in eighteenth century Ireland, deals with love, war and a boy's process of maturing through involvement in bloody and bitter struggles.

Hawklime Monster by Richard Brautigan; a Gothic western set in Oregon in 1902. Two coll and collected men track the monster and participate in unusual encounters. It combines wildness with humor, mystery and maturity. sensuality with suspense.

Illustrated World of Thoreau (ed) Howard Chapnick; interestingly combines highlights from Thoreau's writings with 160 photographs which attempt to express visually Thoreau's insights. The photographs support Thoreau's conviction that man must slow down, look, see and feel.

The Forbidden City by Robert MacFarquhar is a history of imperial Peking and its famous palace. Not until after the revolution of 1911 was the once-forbidden palace opened to every Chinese citizen. One hundred and fifty illustrations, plus diagrams, maps and charts complement the text.

The Energy Balloon by Stewart Udall emphasizes that with the passing of the age of cheap and abundant energy Americans must reshape their lives and world, by ending wastefulness and extravagance. The former Secretary of the Interior under John F. Kennedy, Udall played a decisive part in the energy policies of the 60's and now suggests the redesigning of industry, ending of suburban sprawl and concentration on a "lief-centered energy ethic."

Chinese Art of Healing by Stephan Palos uses fifty illustrations and diagrams to argue that through systematic scientific investigation western doctors have confirmed the surprising success of Acupuncture in ailments from tonsillitis to brain tumors. It includes medical prescriptions and remedial treatments.

You Can if you Think you Can by Norman Vincent Peal shows how to overcome fears and insecurities and live actively and dynamically. It offers a nine-point program to develop inner potential. This is a practical book which contains specific methods for daily development.

LWV transportation Units

The League of Women Voters of Wilmington will hold transportation units on Tuesday and Wednesday March 4th and 5th. The March 4th session will be at the home of Betty Spahl, 19 Draper Drive and

BILLY DeLISLE: Of 15 Belmont Avenue, Wilmington had this sign to greet him, when he got home yesterday from 2½ years service in Korea, with the U.S. Army.

Three years ago the Town Crier had a picture of a similar sign for Ralph DeLisle Jr., when he returned from Vietnam. It was that week that Billy joined the Army, and there was a sign saying Goodby Billy. Billy is said to have brought home a little dog who, it is said, barks only in Korean.

the March 5th meeting will take place at the home of Lorraine Brozyna, 18 Boutwell Street.

Chapter 744 Hearing

(From Front Page)

Arnold Blake, chairman of the Water and Sewer Commissioners testified that the proposed sewer, a pressure system, would not be detrimental to the town. He sat down in the midst of silence.

Harry Landers, School Committeeman, had two questions. His first was as to the number of school children who would be coming from the project. The second was as to the time that the project would be completed.

Attorney Courtney answered, amidst background noise. His first answer which was greeted with hoots and laughter, was that studies showed a basic estimate of 72 children. Mr. Courtney also pointed out to the board that there was a ruling that the impact of school children was not to be cited, in Chapter 744 cases.

The buildings, Courtney said, would be completed in about 2½ years.

Mr. Wishcamper pointed out that there would be 164 'single unit' apartments (single bedrooms). He said that not many children would be "generated" in such apartments. This brought on laughter by some of the audience.

Wishcamper went on to describe 62 two bedroom apartments and 30 three and four bedroom apartments. He assured the Board of Appeals that the children count was between two-tenths and three-tenths child per unit, or about 40 to 55 children.

"We have come out with a figure of 40 to 55 children - and do not forget that there are 88 units to be devoted to Elderly and Handicapped people."

Courtney cited the studies from the Town of Wilmington, back in the 1950s, by Professor Goodman, in which it was shown that in 1095 apartment units in Reading and Stoneham there were 26 children, and another report by Mr. Hazen. (The Hazen report was to be discussed later by Carl Backman, former Selectman - Ed.)

The Wilmington Conservation Commission had not reported in favor, nor against, according to Chairman Kulig. The Commission was concerned with the possibility of salt and chemicals getting into the Ipswich River.

Mr. Courtney agreed that a stipulation of this type could be in the Appeals Board decision.

Selectman Boylen said he had not seen any Environmental Impact Study. Courtney said that one would be made at the time of the financing in cooperation with the Mass. Home Finance Agency. Boylen felt that this would be un-

fair to the Board of Appeals, and to the rest of the town.

Eileen Shephardson of Woburn Street objected and opposed the proposal. She pointed out that her home was surrounded by the proposed development, and she further stated she had not been invited to a meeting of the abuttors.

Robert McCabe, Woburn Street, commented on the change of plans that had not no exit to Concord Street. "The whole complex is going to dump onto Woburn Street," on that part which he calls the "straight qway."

Sterling Morris, Town Manager: He opposed the development. Wilmington, he said, was one of the more prolific communities, in which the schools cannot cope with the present situation.

The new project, he said, would destroy the local environment.

Danny Gillis, speaking, he said, as a Selectman, didn't think that financial hardship could be proven, and pointed out that "these people are guaranteed a six per cent income."

The project, he said, would be taxed differently from other real estate in town, and he believed it to be detrimental to the public good. There would be more need for fire apparatus. The project will have a density of population four times that of Wilmington.

He had always been against 774, and this was something that was being "perpetrated against the town."

Gillis called it "the worst type of speculation."

Joseph Sweeney, Woburn Street. He lives across from the proposed housing. He cited the present difficulties with Avco traffic. He was concerned with security, and wanted to know who would "pick up the tab?"

Courtney assured Sweeney that the on site security would be the responsibility of the developer.

Sweeney said that muggers and purse snatchers were to be "drawn into the area, and that he was not satisfied with the answers." He sat down to heavy applause.

Next after Sweeney was Milton Pinto and June Prue.

The first was the relationship of children and the elderly; the second was what the Wilmington taxpayer would get in return; the third was Don't we have enough poor people in Wilmington, and the fourth was Don't we have enough people on welfare?

Town Manager Morris stood up to say yes. There was laughter and applause.

Morris said that there are many

homes in Wilmington that are sub-standard - at least 400.

Dick Cogan, Kenwood Road, a member of the Finance Committee, said he was against the project. "Every single department in town is going to have an increased burden" - "not only is this to be subsidized by the state and federal subsidies, but it will also be subsidized by the people of Wilmington."

Jean Pederson, Federal Street, was definitely opposed. She cited road and sidewalk costs and predicted trouble with water backing up from the Ipswich River.

Bill MacKinnon blamed State Senator MacKenzie, and said MacKenzie forces the towns to do this. "He has us over a barrel - a big one."

MacKinnon made a statement relative to Columbia Point, and what seemed to be an assurance from MacKenzie that this project would not be a Columbia Point.

He told the Finance Committee that he hoped, if it could not disapprove, that it would approve with the most stringent conditions.

Madelyn McKie said she was speaking because of her knowledge as a representative of the MAPC. Mrs. McKie said that the MAPC had this area planned for Open Space, in a study of the Ipswich River which is in the Public Library. The plan shows an Access Area to the Ipswich with picnic grounds.

She was concerned, she said, about the Ipswich. It has Class B water, which is relatively good, and she was concerned about this project at the junction of 93. She was also concerned with the Town of Reading water supply, just east of 93, and with North Reading, which has a water problem.

Mrs. McKie was followed by

Mort Grant, and then by former Selectman Carl Backman. Mr. Backman spoke in favor of the project.

Mr. Backman could remember the selectmen, a few years ago asking the Wilmington Housing Authority to a joint meeting in which concern was expressed because of the lack of housing for low income groups.

"I was one who pushed for this." "Five years later we are still talking" - "people still need a place to live" - "at long last there are now some proposals by the Wilmington Housing Authority for housing."

Backman spoke of a report made by Dennis Hazen - "a summer spent by a sharp young man" - "a report which was well buried."

"A few of us suspect that, since the report did not oppose apartments, it was dumped."

"A stunning fact in that report - in Woburn, Reading and Andover, it was shown that apartments actually developed dollars - they were cheaper for the community."

There was only light applause when Backman sat down.

The Deputy Fire Chief told the Board of Appeals that he wanted sprinkler systems in the top three stories of the 54 foot Housing for the Elderly building. The 75 foot ladder truck not only had but one driver, he told the Appeal Board, but could not put out fires in the top three stories.

Shortly after Backman spoke there was a recess (10 to 10:15) during which the Board of Appeals conferred with Town Counsel Alan Altman.

Mr. MacDonald then announced an adjourned session on March 25th, because some of the boards who had not turned in reports.

COMMONWEALTH OF MASSACHUSETTS LAND COURT

(Seal) Case No. 75891
To Henry J. Colella and Charlotte Colella, both of
Wilmington, County of Middlesex, and said Com-
monwealth; and to all persons entitled to the benefit
of the Soldiers' and Sailors' Civil Relief Act of 1940
as amended: Sidney J. Resenthal, of Newton, Coun-
ty of Middlesex, and said Commonwealth; claiming
to be the holder of a mortgage covering real prop-
erty in said Wilmington, numbered 8 Marcia Road,
given by Henry J. Colella and Charlotte Colella to
the plaintiff, dated March 8, 1973, recorded with
Middlesex North Deeds, Book 2054, Page 550, has
filed with said court a complaint for authority to
foreclose said mortgage in the manner following:
by entry and possession and exercise of power of
sale.

If you are entitled to the benefits of the Soldiers'
and Sailors' Civil Relief Act of 1940 as amended and
you object to such foreclosure you or your attorney
should file a written appearance and answer in said
court at Boston on or before the seventh day of April
1975, or you may be forever barred from claiming
that such foreclosure is invalid under said act.
Witness, WILLIAM I. RANDALL, Esquire, Judge
of said Court this twenty-first day of February 1975.

From Page 7

am not convinced that the proposed high school offers an effective or necessary use of the taxpayers money. We must reconsider our school building needs in light of today's decreasing birth rates and increasing tax rates.

3. The school system must establish educational goals. These goals should be developed in conjunction with the public. Once agreed on goals are established, detailed plans can be developed, implemented and monitored. This approach must consider the need of both academically and vocationally oriented students.

4. Salaries which constitute 85 per cent of the school budget are the only area where meaningful savings could be made. Once educational goals are established, the importance of each school personnel position in achieving these goals can be determined. This becomes a method of determining if school positions should be eliminated or redefined.

Housing authority questions

1. What special qualifications do you feel you can offer the town as a member of the Housing Authority?

2. How do you feel Wilmington's needs for low and moderate income housing should be met?

3. What initiative do you intend to take to satisfy our housing needs?

John M. Reardon

1. I feel I can give full representation to the housing authority as I am a retired person and can spend more time and give more effort to the job.

2. I believe the WHA can strive to enable the low income and elderly have homes in which to live if they work with the state and town officials.

3. I am not a speech maker, but a down to earth go-getter. Any means the housing authority would have to give the Wilmington residents low income housing, I will definitely go after it.

George W. Hooper

1. I feel my experience in the operation of government agencies together with my knowledge of construction and my ability to motivate and administer detail qualifies me to seek the position as a member of the Wilmington Housing Authority.

2. The need for low and moderate income housing is basically established by the state. I feel that this should and can be met, a) with minimum of loss of tax income, b) with no inconveniences with regard to the taking of land through eminent domain, c) with no significant environmental impact on the town at large or the immediate neighborhood, d) with no modification to existing building standard and codes that would change the expectation of the town.

3. During my administration as a member and chairman of the Wilmington Housing Authority, I have taken a positive position in expediting program 667-2 for 110 additional units of elderly housing to accommodate the existing need as well as implementing program 705 for moderate housing at no tax loss to the town. In addition to the new programs I have also concentrated on improving the conditions at Deming Way.

Donald R. Garland

1. My past two years on the W.H.A. I feel I have learned a

great deal. Having someone come into the W.H.A. right now without any knowledge, I feel could hurt our senior citizens. I am presently vice-chairman of the W.H.A.

2. We as a board have already started to undertake this problem by purchasing homes and filling them for our low and moderate income families. I feel this program, properly worked out can work very well.

3. We have started to look for new land and are studying many sites for constructing 110 new units for the elderly. Our waiting lists are very long and this problem has to be resolved very quickly if the elderly are expected to survive in our society today, with the cost rising so rapidly, it is very hard for them to live.

Jeanne M. Waugh

1. I feel that the office requires that an individual be sensitive and concerned. I can make this a full time job because I have no other outside demands on my time. I feel the message was spelled out loud and clear during this last election, that people want concerned citizens not seasoned politicians represent them.

2. I don't feel we should sit back and let an outside developer who is insensitive to Wilmington's needs take this initiative. I feel that the W.H.A. should take the initiative and continue to press for funding to promote Wilmington's housing needs.

3. I can guarantee that I won't remain passive and docile while outside developers press for the almighty buck. I will not be a fence sitter. Chapter 667 of the Acts of 1964 and Chapter 705 of the Acts of 1970 give our local housing authority the tools needed for state financial assistance for elderly and scattered sight housing. This

is at least a beginning in the right direction.

Carolyn R. Sullivan

1. As an eighteen year resident of Wilmington, and a graduate of W.H.S. I have a sincere concern as to the growth and welfare of our community. I received my B.A. degree from Lowell State College and Masters Degree from Salem College. I became aware of the problems of elderly and low income families as a volunteer social worker in Salem.

2. I feel there is a definite need for additional elderly and low income housing in Wilmington. Our housing authority has been increasingly more active in working toward a solution to the problem of housing availability and feel that this is ultimately their responsibility and not that of an outside agency. I also feel there is additional need for a more distributive police in low income housing.

3. I strongly believe that an elected official has the responsibility to work to the best of his/her ability while in office and I feel that Wilmington needs responsible and interested public servants to work for the welfare of our community.
